Prices for Asst. Decorative pieces

Prices include shipping within the U.S.

AD1. Fine solid art-glass (made with gold) ash bowl. British, c.1975 ..... \$ 240

AD4. Marble Horses w. Cornucopias (pair) ..... \$ 180 \*

\* This is a reduced price (from \$280) because one has a repair on the top the horn (barely visible), and the other has a chipped corner of the lower base (visible in photo AD4a.). However, facing the chip into a corner hides it (as in photo AD4b.)
