Special Masterwork Satsuma Gold Dragons Tea Set (c.1925)

This magnificent Japanese Tea Service with gold dragons on black backgrounds is in beautiful condition and is extraordinary in appearance. This is far superior to the more common Satsuma, which does not have high value. Rather, this set is a rare masterwork. The set is the three main pieces plus 6 cups and 6 heavy-body beautiful saucers. The design is exquisitely painted in fine gold and light grey. \$ 3,500
