Paintings ... special sale prices 2026

*** All prices include local delivery (Colorado Springs and 50mile radius)**

Please call or e-mail for more info.

Note: Since the watercolor paintings are all framed behind glass, they become difficult to photograph without glare problems. We see differently than cameras by way of compensation: in living with the art, we move around, seeing it at different angles and in varying light.

Please call to come and see the paintings
